Evening calm communication

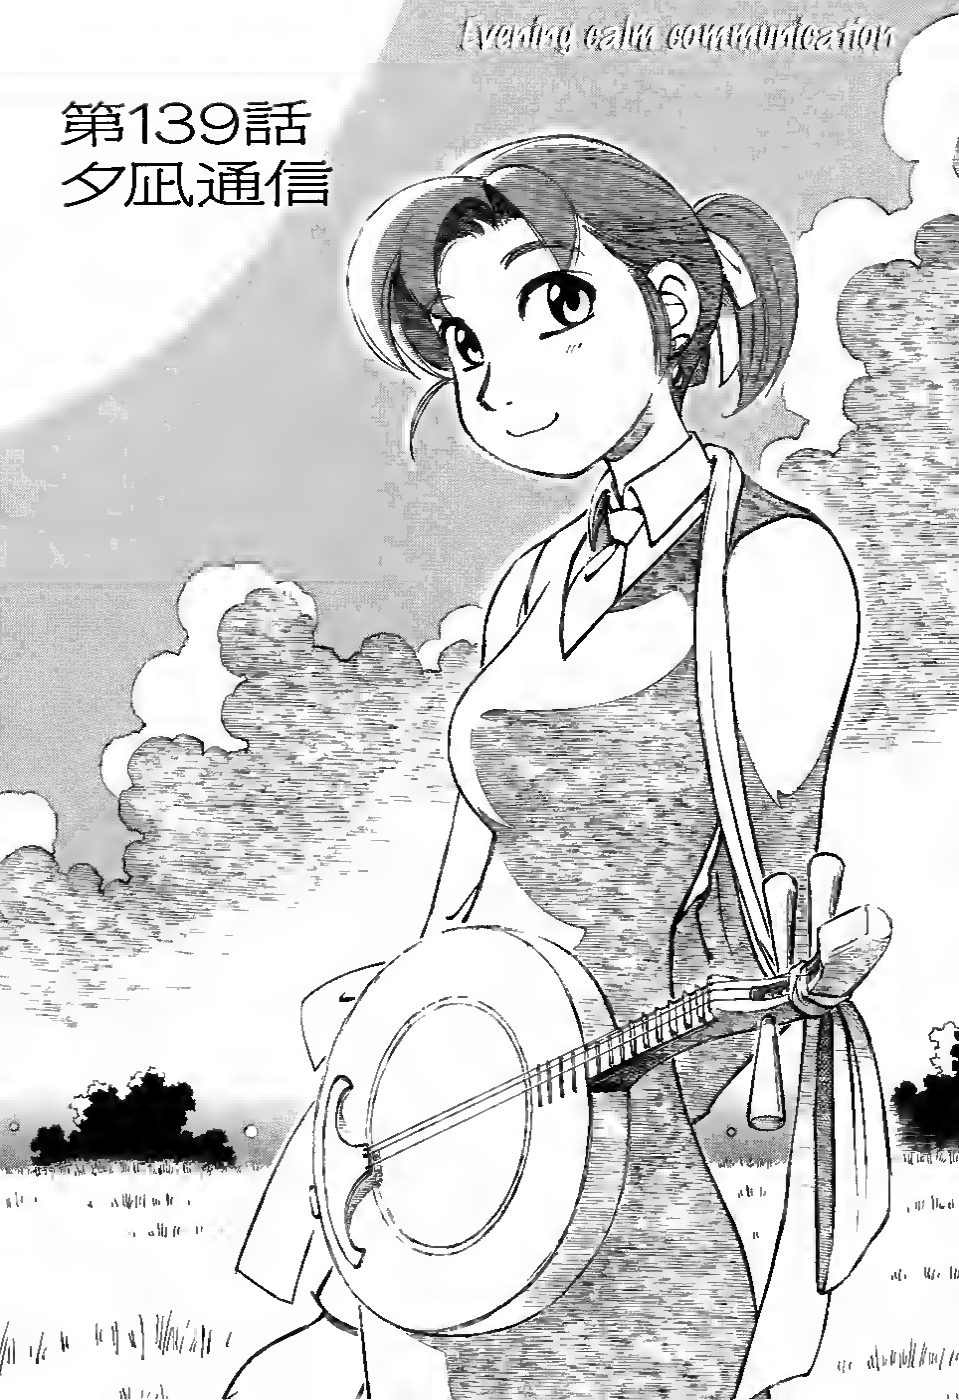
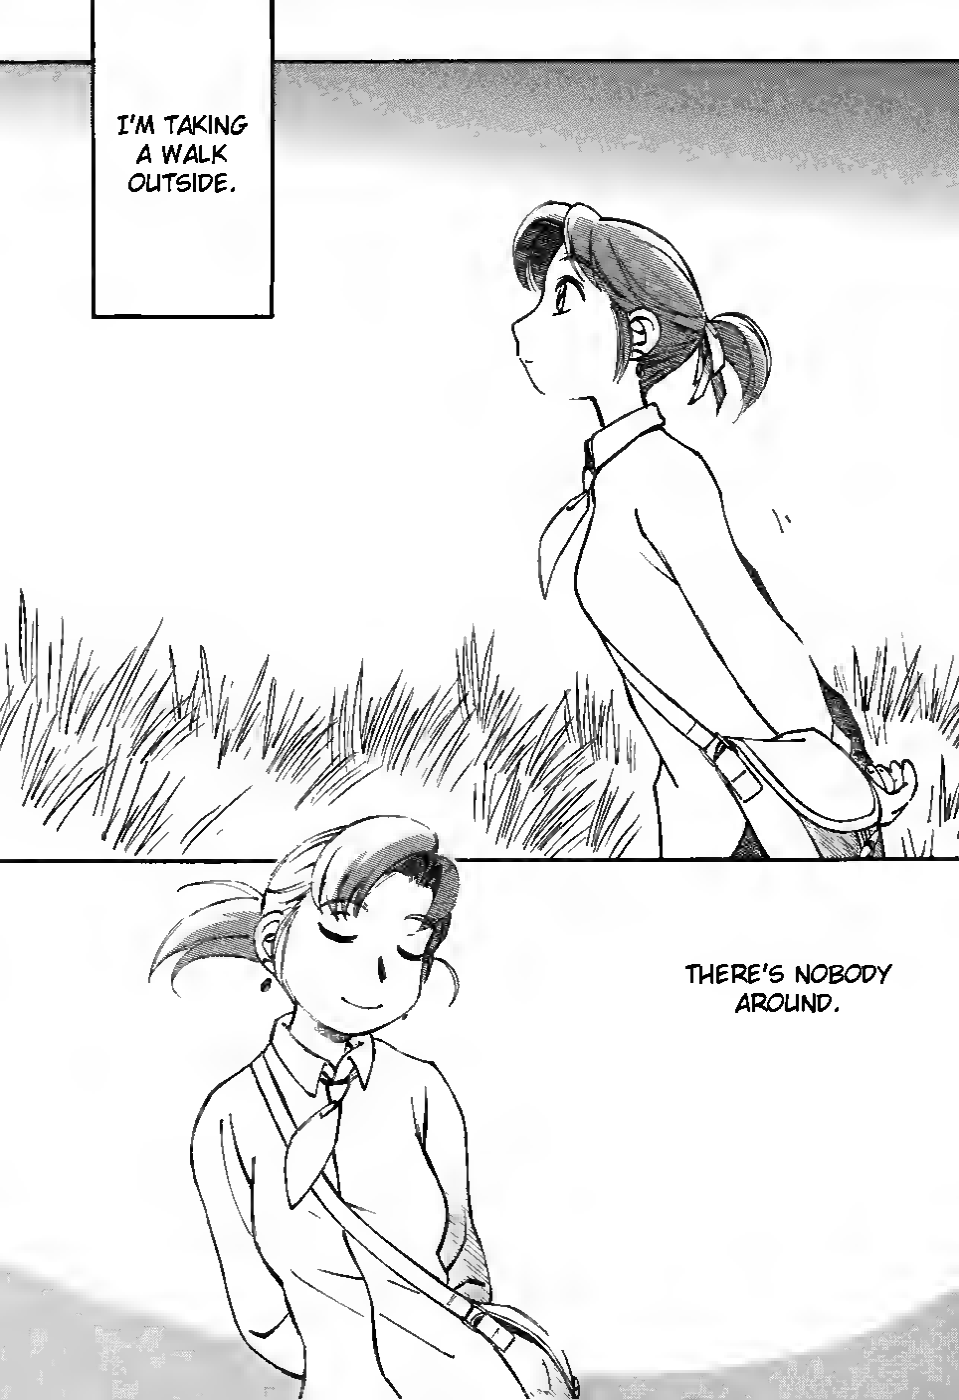
夕凪通信





I'M TAKING A WALK OUTSIDE.
THERE'S NOBODY AROUND.

CLEARLY.
THE NARROW ROAD TO THE HOUSE STILL HANGS TENACIOUSLY TO ITS SHAPE, EVEN AS IT'S IN DANGER OF DISAPPEARING IN THE MIDST OF ALL THIS GRASS.
AS IF IT'S SHINING WHITE EVEN MORE THAN BEFORE.

EVERY NOW AND THEN,
I GET A LETTER FROM TAKAHIRO AND MAKKI.
IT SEEMS THAT SAE-CHAN IS CONTINUING TO PERFECT HER MONKEY WAYS.

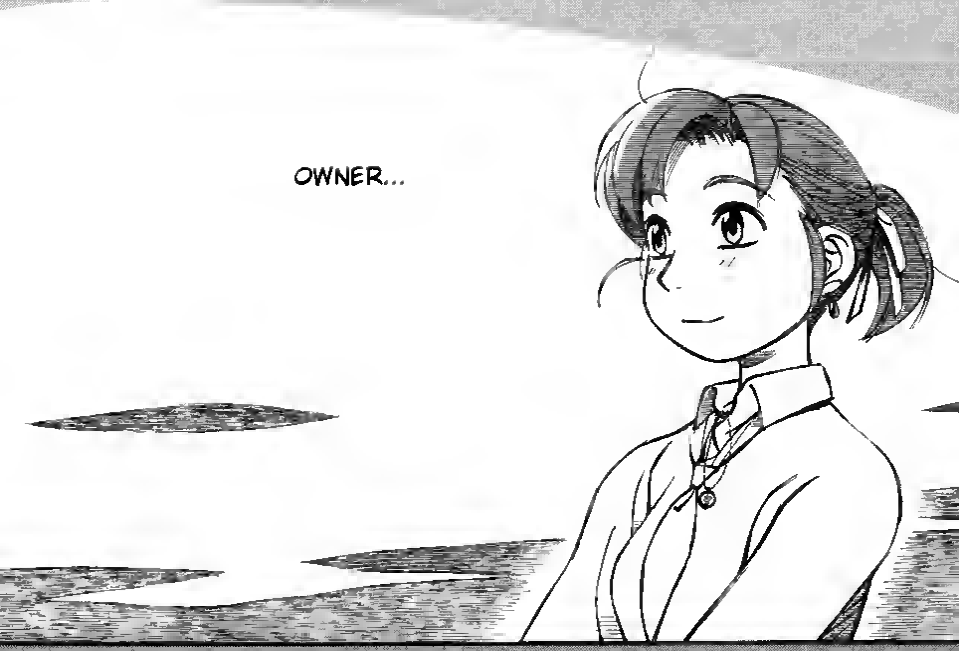
I...
STILL AM...
GOING MANY PLACES.
SEEING MANY THINGS.



ARE YOU
WATCHING OVER ME?
